

Changed traffic conditions - Parramatta Road Civil Site

From Thursday, 5 April 2018, work to realign Parramatta Road westbound, between Dalhousie Street and Bland Street, will commence. This work, which will take one week to complete, is part of the traffic switch which will move the current westbound traffic onto the top of the newly constructed cut and cover. A map showing the changed traffic conditions and work areas is provided overleaf.

The newly aligned Parramatta Road westbound is scheduled to open to traffic from 10.00 am Sunday, 8 April 2018.

What we're doing

This work will involve:

- installing crash cushions, as well as water filled and concrete barriers
- placement of asphalt
- temporary line marking and placement of directional markers
- reconfiguring of traffic signals
- installation of temporary directional signage.

Equipment used will include vacuum trucks, line marking removal trucks, cranes, millers, pavers, drum rollers, excavators, compactor plates, trucks, hand tools and lighting equipment.

How this affects you

Please note that there will be lane closures on Parramatta Road during night work and the speed on Parramatta Road will be reduced from 60 km per hour to 40 km per hour.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work and every effort will be made to minimise this including using non-tonal reversing beepers on all machinery, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

When

Thurs 5 - Thurs 12 April 2018
