

Demobilisation of tunnel site compound - Concord Road, Concord

From Wednesday 6 June 2018, work will continue within the Concord Road work site to demobilise the Concord Road tunnel facilities and prepare the area for further road work. This work is expected to take up to four weeks to complete, weather permitting.

A map showing the location of the work is provided overleaf.

What we're doing

The work will involve:

- delivery of concrete and spoil material
- spreading and compaction of spoil material
- retaining wall installation
- piling for noise wall
- bulk excavation for ramps.

Equipment and plant used during the work will include compactors, front end loaders, concrete rollers, concrete pumps, concrete trucks, cranes, trucks piling machine and excavators with attachments.

How this affects you

There may be an increase of truck movements associated with this work and every effort will be made to minimise this impact including application of approved haulage routes. If you travel along the work route, please allow extra travel time and follow the signage.

There will be some noise associated with this work and every effort will be made to minimise this including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au
