

## Preparation work for the variable message sign – Dobroyd Parade, Haberfield

On **Monday, 5 March 2018** work will commence to prepare for the installation of a permanent variable message sign (VMS) on Dobroyd Parade, Haberfield. The sign will provide road users with up-to-date information on traffic conditions and planned and unplanned incidents and events. A map showing the location of the work is provided overleaf.

### Timing and work hours

This work will take up to **six shifts over three weeks** to complete, weather permitting. Where possible, work has been scheduled to take place **between 7.00 am and 6.00 pm Monday to Friday**. Road and/or lane closures may be required at times, due to the close proximity to live traffic. Work requiring any road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

If the work cannot be completed during this time, it will be rescheduled and residents will be renotified.

### Work activities

This will involve:

- potholing to confirm utility services
- excavating, piling and pouring foundations
- installing power and telecommunications cabling.

Equipment used during the work will include vacuum trucks, lighting equipment, trucks, concrete agitators, a truck mounted piling rig and small hand tools.

The approved Traffic and Access Management Plan (TAMP) for this work allows vehicles to access Crane Avenue via Waratah Street and Chelmsford Avenue from Dobroyd Parade (City-West Link).

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about out-of-hours work in the area. If you would like to receive updates please email our team at [info@m4east.com.au](mailto:info@m4east.com.au) and ask to subscribe to the out-of-hours work mailing list.

### Traffic changes

Traffic control and pedestrian management will be in place to ensure the safety of motorists, pedestrians, residents and workers. Parking may be restricted in the vicinity of the work. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
