

## Utilities investigation and installation – Homebush Bay Drive, Homebush

From **Sunday, 4 March 2018**, work will commence to prepare for the installation of Intelligent Transport System (ITS) along Homebush Bay Drive. A map showing the location of the work is provided overleaf.

### Timing and work hours

The work will take up to **five weeks** to complete, weather permitting. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**.

If the work cannot be completed during this period, it will be rescheduled and additional community notification will be provided

### Work activities

This work will include:

- using a vacuum truck to locate existing utility services
- trenching and underboring to install conduits
- pouring concrete foundations
- temporary remediation work, prior to permanent restoration.

Equipment used during the work will include vacuum trucks, excavators with attachments, franna cranes, underbore rig, concrete trucks, concrete vibrators, generators, jack hammers, concrete saws, hand tools, lighting equipment, trucks, watercarts, street sweepers and drill rig.

### Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

### Traffic changes

During this work, **full closure of the M4 Motorway eastbound on-ramp at Homebush Bay Drive is required**. Specific information regarding these closures will be communicated via comprehensive Variable Message Sign (VMS) and [livetraffic.com](http://livetraffic.com).

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking will be restricted in the vicinity of the works. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N321

#### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
