

Construction update - Parramatta Road and M4 Motorway, Homebush

From Monday 25 June 2018, work will continue on Parramatta Road and M4 Motorway to install Intelligent Transport system (ITS) infrastructure and Closed Circuit Television (CCTV).

This work is expected to take up to one month to complete, weather permitting. Residents will continue be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

The work will involve:

- installing ITS gantries and cabinets
- installing footings, piles and signage
- installing CCTV posts and cameras
- installing and modifying tolling gantry
- service investigation and cable pulling
- modifying traffic signals
- installing medians strips and guard rails, where required
- permanent restoration.

Equipment used will include excavators, bobcat, jack hammers, concrete truck, piling rig, vacuum trucks, concrete saws, core drills, chainsaws, cranes, elevated work platform, trucks, light vehicles, compactors, site vehicles, small tools, hand tools and lighting equipment.

How this affects you

M4 Motorway **westbound closures** between Parramatta Road and Homebush Bay Drive, and **eastbound closures** between Homebush Bay Drive and Sydney Street will be required during this work. Partial closures of Parramatta Road at North Strathfield will also be required. These closures will occur at night.

Specific information regarding road closures will be communicated via electronic Variable Message Sign and livetraffic.com. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work, however every effort will be made to minimise this including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.
