

Signage preparation work - Dalhousie Street, Haberfield

From Tuesday, 17 July 2018 work will continue on the Overheight Detectors (OHD) on Dalhousie Street, Haberfield, including standing the structures and installing a roadside cabinet.

Work is expected to take up to 1 month to complete, with work occurring intermittently during this time. Further notification will be provided prior to remediation activities.

A map showing the location of the work is provided overleaf. Please note that parking will be limited in the vicinity of the work sites.

What we're doing

Work will involve:

- Installing the OHD and roadside cabinet structures;
- Pulling cables to connect the structures;
- Returning to permanently remediate the affected areas.

Equipment used during the work will include concrete trucks, excavators, rattle guns, vacuum trucks, concrete saws, a crane and hand tools.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
