

Electrical work - M4 Motorway Homebush

From Friday 15 June 2018, work will commence to replace lights within the service culvert which runs north to south underneath the M4 Motorway near Verley Drive, Homebush. The work location will be accessed via the gate which is adjacent to the driveway at 9 Verley Drive, Homebush.

The work is expected to take six weeks to complete, weather permitting. Stakeholders will be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

This work will involve:

- removing existing lighting and conduits within the service tunnel
- installing new light fittings, steel conduits and cable.

Equipment used during the work will include: small hand tools, ladders, generator, tipper truck and light vehicles.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@m4East.com.au.
