

### ITS and Utility Work - Parramatta Road, Haberfield

From Sunday, 15 July 2018 work will commence to install utilities and ITS (Intelligent Transport Services) infrastructure along Parramatta Road between Rogers Avenue and Dalhousie Street, Haberfield. A map showing the location of the work is provided overleaf.

Work is expected to take up to 3 months to complete, with updates provided monthly.

#### This work will involve:

- pavement removal (including concrete saw cutting)
- service investigation and installation of new utility and ITS services
- cutting a redundant gas main near the bus stop
- excavation of trench and pit locations
- pouring of concrete pavement, driveway lay backs, kerbs and medians.

Equipment used during the work will include road saws, excavators, concrete trucks, franna crane, vacuum trucks, trucks and hand tools.

#### How this affects you

During this work there will be lane closures along Parramatta Road. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.
