

Tower Crane Disassembly - Underwood Road Ventilation Facility

From Thursday, 26 July 2018, work to disassemble the tower crane at the Underwood Road Ventilation Facility (URVF) will commence. This work is expected to take three days to complete with some work and deliveries undertaken out-of-hours for safety reasons.

Work continues on the construction and fit out of the URVF. A map of the work area is provided overleaf.

What we're doing

This work will involve:

- Early morning delivery of mobile crane.
- Disassembling the tower crane and loading parts onto trucks to be removed from site.

Equipment used will include, a mobile crane, franna crane, flatbed trucks, semi-trailers, rattle guns and hand tools.

How this affects you

There will be noise associated with this work and every effort will be made to minimise this where possible, including turning off equipment and vehicles when not in use, and directing noisy equipment away from residences.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we provide residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
