

Infrastructure Installation - Parramatta Road, Ashfield

From Monday, 13 August 2018 work will commence to install Intelligent Transport Services (ITS) and signage infrastructure along the footpath of Parramatta Road between Liverpool Road and Orpington Street, Ashfield. A map showing the locations of the work is provided overleaf.

Work is expected to take up to 4 months to complete, with updates provided monthly.

This work will involve:

- installing temporary barriers to delineate the work zone from Ashfield Park;
- service investigation and installation of new ITS services;
- standing of traffic signs, overheight detectors, roadside cabinets and tolling gantry structures;
- remediation work, including pavements, driveways, kerbs and medians.

Equipment used during the work will include road saws, excavators, concrete trucks, franna crane, vacuum trucks, rattle guns, trucks, lighting equipment and hand tools.

How this affects you

During this work there will be lane closures along Parramatta Road. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

If you would like to receive email updates about the scheduling of out of hours work near your property - or if you have an enquiry or complaint about this work - please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
