

Ongoing construction work - Haberfield

Following recent traffic changes referenced in Notification (N361a), work continues along Wattle Street and Dobroyd Parade, Haberfield. A map showing the location of work, as well as any road closures is provided overleaf.

This package of work is expected to take up to three months to complete, with updates provided to residents monthly.

What we're doing

This work will involve:

- road and pavement work including the installation of traffic barriers, signage, line marking and asphalt, and the remediation of footpaths and driveways;
- utility investigation, trenching, potholing and installation (including street lighting and drainage);
- spoil delivery and stockpiling activities.

Equipment used during the work will include excavators, vacuum trucks, concrete saws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, trucks, small tools, hand tools and lighting equipment.

How this affects you

There will be some noise associated with this work, however every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control will be in place to ensure the safety of motorists, residents and workers. Parking may be restricted in the vicinity of the work.

If you would like to receive email updates about the scheduling of out of hours work near your property - or if you have an enquiry or complaint about this work - please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
