

## Cable installation - Parramatta Road, Concord

To facilitate construction of the permanent Cintra Park site, works will be undertaken to install underground communications cable.

This work is expected to take four weeks to complete, weather dependant.

A map showing the work location is provided overleaf.

### What we're doing

The work will involve:

- Utility service investigation
- Excavation including concrete sawing
- Installing conduits and cables
- Backfilling

Equipment used will include; lighting tower, concrete saw, excavator (with hammer), vacuum truck, delivery trucks, light equipment, hand tools.

### How this affects you

During this work there will be lane closures along Parramatta Road, Concord. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.
