

### Footpath Restoration Work - Parramatta Road Civil Site

From Wednesday, 3 October 2018, work will commence to restore footpaths that have been affected by work around the Parramatta Road Civil Site. A map showing the location of the work is provided overleaf. This work is expected to occur intermittently over 3 months. You will be notified as work progresses.

Please note, whilst work occurs in front of the pedestrian lift on the Ashfield side of Parramatta Road, access to the lift will be intermittently closed. To minimise this impact, work has been scheduled to occur over the school holiday period. These closures will occur from 9.00 am to 4.00 pm between 3 - 5 October and 8 - 12 October. Lift access may also be closed for a 24 hours period during the week commencing 8 October. Signage will be in place to assist pedestrians during this time.

#### What we're doing

This work will involve:

- establish pedestrian management to re-directing pedestrians around the worksite if required;
- removing the existing concrete footpath, including excavation and saw cutting;
- installing steel reinforcement;
- pouring concrete and leaving it to cure;
- re-opening the new footpath to pedestrians.

Equipment used will include excavators, compactor plates, trucks, concrete saws, concrete trucks, concrete pumps, hand tools and lighting equipment.

#### How this affects you

The restoration in front of Ashfield Park will occur intermittently, and detour routes will be in place throughout this package of work.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents, pedestrians and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

There will be some noise associated with this work and every effort will be made to minimise this including turning off equipment and vehicles when not in use, applying respite periods and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

#### When

Wed 3 Oct - Fri 9 Nov 2018
