

Ongoing construction work – Haberfield and Ashfield

From **Tuesday, 31 October 2017**, the M4 East Project will continue work in Ashfield and Haberfield to locate, install services and construct new road pavements. A map showing the location of the work is provided overleaf.

Timing and work hours

This work will take two months to complete, weather permitting. Work hours are **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**. Work requiring road or lane closures will occur between **9.00 pm and 5.00 am Sunday to Friday**. If the work cannot be completed during this period, it will be rescheduled and you will be notified.

Work activities include:

- installing traffic barriers, signage and line marking
- investigating, installing and modifying utility services
- installing and modifying pavements
- asphaltting the road
- temporary remediation work, prior to permanent restoration completed in collaboration with Inner West Council.

Equipment used during the work will include: excavators, vacuum trucks, concrete saws, compactor plates, trucks, hand tools and lighting equipment.

Minimising impact

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences. All sites will also be restored to their previous condition.

Traffic changes

Parking may be restricted in the vicinity of the work. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the signage and direction of traffic controllers.

In an effort to minimise additional impacts experienced as a result of unexpected construction delays, we will be providing residents with weekly email updates about upcoming out-of-hours work in the area. If you would like to receive updates about out-of-hours work near your property, please email our team at info@m4east.com.au and ask to subscribe to the out-of-hours work mailing list.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N236a

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
