Power cable connection work - Homebush

Further to our notification on 25 August 2016, work continues to install underground cables in Homebush.

From **Tuesday, 27 September 2016**, work will be undertaken to complete the power cable installation works.

To ensure the safety of workers and motorists, this work will take place **between 8.00 pm and 6.00 am Monday to Friday** (see calendar and map overleaf for dates of night work and location of work).

This work will take **three nights to complete** and will include:

- barrier installation
- setting up temporary worksites
- using a vacuum truck to locate existing services
- opening pits
- pulling cables
- backfilling and temporary reinstatement of the work area. Permanent restoration will follow.

Equipment used during the work will include concrete saws, vacuum trucks, hand tools, lighting equipment and small excavators.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Access to properties will be maintained at all times, and some parking restrictions may be in place during work hours.

There will be some noise associated with this work, however every effort will be made to minimise the impact of work, including by completing road cutting activities before midnight, using non-tonal reversing beepers on machinery, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.

Notification reference: N123a

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
