

2 February 2016

Dear Resident

### Equipment movement on local streets

Work is continuing to construct the WestConnex Motorway, linking Sydney's west and south-west with the city, airport and port. This project will ease congestion, create jobs and connect communities.

From **Friday 5 February to Monday 8 February 2016** a piling rig and crane will be transported from Victoria Street, Granville to a construction site off Parramatta Road at Granville. A map of the area is provided overleaf.

This activity **is expected to take three nights** to complete, weather permitting, and will occur between **11:00pm and 6:00am** to reduce impacts on road users and ensure the safety of workers. No work will occur on Sunday night 7 February 2016.

Every effort will be made to keep noise to a minimum, including undertaking regular noise monitoring.

If you would like further information about the work, please contact the project team on 1300 660 248 (24 hours) or email [community.info@rljv.com.au](mailto:community.info@rljv.com.au).

Yours sincerely

**Mark Stevenson**
