

**1 November 2015**

Dear resident

### **Invitation to attend a community forum for the WestConnex M4 Widening**

Sydney's population is set to increase by another one million people over the next 10 years. The NSW and Australian Governments are building transport infrastructure now, both public transport and roads, to prepare for this growth.

Work is well underway for the \$500 million WestConnex M4 Widening. The Rizzani Leighton Joint Venture is undertaking this work.

You are invited to attend a community forum to learn about the M4 Widening project, find out about upcoming construction activities and ask questions about the work. The forum will include a presentation and discussion on the key construction activities such as closures and changes on the motorway, removal and installation of noise walls and the closure/diversion of Fox Street underpass.

We will also be discussing the Urban Design and Landscape Plan and the community feedback provided.

**The forum will be held at the Community Information Centre at Silverwater, on 26 November 2015 from 5.30pm to 7.30pm.** Please register by contacting the project team at [community.info@rljv.com.au](mailto:community.info@rljv.com.au) by Friday, 20 November 2015.

For further information regarding the community forum or the M4 Widening project please visit [www.westconnex.com.au](http://www.westconnex.com.au), contact the project team on 1300 660 248 (24 hours) or email [community.info@rljv.com.au](mailto:community.info@rljv.com.au).

Yours sincerely

**Mark Stevenson**  
Project Director
