

22 December 2015

Dear Resident

Hill Road westbound on-ramp closure – 8 January to 5 March 2016

The NSW and Australian governments have embarked on Australia's largest transport infrastructure project, the WestConnex motorway, linking Sydney's west and south-west with the city, airport and port. This project will ease congestion, create jobs and connect communities.

Work to widen the M4 Motorway is underway, and the Rizzani Leighton Joint Venture is designing and building this section of the WestConnex Motorway.

As part of this project, the Hill Road westbound entry ramp onto the M4 Motorway will be upgraded. This will require the **temporary closure of the ramp from Friday 8 January to Saturday 5 March 2016**, weather permitting.

During works, detours will be available either via Parramatta Road or Holker Street and Silverwater Road. A map of the detours is provided overleaf.

To minimise impact on nearby residents, the majority of works will be conducted during the day. Generally this work will be carried out between **7am and 6pm, Monday to Friday**, weather permitting.

Every effort will be made by the Rizzani Leighton Joint Venture to keep noise to a minimum, including undertaking regular noise monitoring to manage any impacts.

If you would like further information about the work, please contact the project team on 1300 660 248 (24 hours) or email community.info@rljv.com.au.

Yours sincerely

Mark Stevenson
