

7 April 2016

Dear Resident

### Fox Street, Holroyd underpass temporary closure and detour

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the M4 is being widened between Parramatta and Homebush from three to four lanes in each direction, alleviating congestion. For more information, visit [westconnex.com.au/M4Widening](http://westconnex.com.au/M4Widening).

From 23 May 2016, work will commence around the Fox Street underpass. Work will occur on the southern side of the motorway at Fox Street, Holroyd. Cyclist and pedestrian detours will be implemented prior to works commencing. The cyclist detour follows Parramatta City Council and Roads and Maritime Services approved route. The pedestrian route has been chosen to minimise distance travelled. A map of the detours is provided overleaf.

The majority of this work will be carried out between **7.00am and 6.00pm, Monday to Friday and 8:00am to 1:00pm on Saturday**. This work will take about six months to complete, weather permitting and will include:

- noise wall panel installation
- earthworks
- formwork, piling and concrete work
- saw cutting and concrete paving
- constructing retaining walls and installing barriers.

To ensure the safety of workers and motorists, some work will take place between **6.00pm and 4.30am, Sunday to Thursday**, and you will be notified of night work in advance.

Equipment used during the works will include trucks including concrete trucks, piling rig, cranes, day makers, generators and concrete pumps.

Every effort will be made to keep noise to a minimum, including carrying out the work for no more than three nights in the one location and undertaking regular noise monitoring to ensure levels are being managed effectively. We apologise for any disruption and aim to have the works completed as quickly as possible.

If you would like further information about the work, please contact the M4 Widening project team on 1800 660 248 (24 hours) or email [community.info@rcpbjv.com.au](mailto:community.info@rcpbjv.com.au).

Notification Reference: N053

### WHAT IS WESTCONNEX?

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
