

Environment Protection Licence Monitoring Data

Project Name:	WestConnex Stage 3A - M4-M5 Link Mainline Tunnels
Monitoring Period:	18 October 2018 – 14 April 2019
Licensee:	Samsung C&T Corporation, Bouygues Construction Australia Pty Ltd, Lendlease Engineering Pty Limited
Environment Protection Licence Number:	21149
Premise address:	WestConnex between M4 East at Haberfield and The New M5 at St. Peters, Marrickville NSW 2204

Monitoring Type: Water Discharge Monitoring
