

Temporary road closure – Ramsay Street, Haberfield

As per our Notification N214, Ramsay Street will be reopened to traffic and cyclists from **9.00 am on Sunday, 28 May 2017**. Subject to wet weather, additional notification will be provided if the date or time changes. The M4East team would like to thank the community for their patience during the closure.

From Monday, 22 May 2017, work to construct the cut and cover structure will continue between **7.00 am and 6.00 pm Monday to Friday and 8.00 am to 1.00 pm on Saturday** until the road reopens on 28 May 2017.

The work will include:

- ongoing earthworks, including excavation and rock breaking
- construction of the deck slabs and waterproofing of the cut and cover structure
- construction of kerb and gutter, drainage, and road line marking
- traffic control and pedestrian management.

Equipment used during the work will include cranes, jack hammers, compressors, concrete agitators, trucks, generators, concrete cutters, excavation and boring equipment, compressors, pumps, shotcrete rigs and vibrating rollers.

Construction of road pavement involves the placement of a number of layers of asphalt. The first section will be completed during dayshift as it is separate to Wattle Street. However, as the final layers need to be tied into Wattle Street, this work must be completed under traffic control. As such this work will be completed over two night shifts, between **6.00 pm and 3.00 am on Monday 22 and Tuesday, 23 May 2017**. To minimise the impact to residents, work will commence on the Haberfield side of the closure and move away as the work progresses.

Equipment used during the work will include asphalt delivery trucks, asphalt paver, and static rollers.

Work will be undertaken between **6.00 pm on Saturday, 27 May 2017 until 9.00 am Sunday, 28 May 2017** to reopen the road to traffic. This work will include demobilising temporary barriers, gates, noise walls and traffic control as well as connecting traffic lights.

Bus detours will remain in place, as per our Notification N153A, until the road reopens. Traffic control, detour signage and pedestrian management will continue to be in place during the work to ensure the safety of motorists, pedestrians and workers. **Access to properties will be maintained at all times.**

If you travel along this route, please allow extra travel time and follow the signage and the direction of traffic controllers. For the latest live traffic updates and more information on these closures, visit livetraffic.com, download the Live Traffic NSW App for iPhone, iPad and Android or call the Traffic Information Line on 132 701.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
