Night work – Concord and Strathfield

In order to facilitate signage work associated with the Concord Interchange, night work is required at locations on the M4 Motorway, Parramatta Road, Concord Road and Leicester Avenue for signage investigation. A map showing the work area is provided overleaf.

Timing and work hours

This work is scheduled to commence from **Wednesday, 13 September 2017** and is expected to take up to **up to three weeks to complete**, weather permitting.

The work will be undertaken **between 7.00 pm and 5.00 am** in order to reduce impacts on road users and ensure the safety of workers and motorists.

Work activities

This work will include:

- installing temporary traffic barriers and signage
- pot holing for investigation and locating of services
- vegetation clearing
- trenching work
- installation of conduits and pits
- temporary remediation/backfilling with permanent restoration to follow.

Equipment used throughout the work will include excavators, saw cutters, trucks, vacuum trucks, compactors, traffic control, generators, franna crane, lighting towers, light vehicles and small power tools.

Minimising impact

There will be some noise associated with this work, however, every effort will be made to minimise the impact of work, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible, and undertaking regular noise monitoring to ensure levels are being managed effectively.

Traffic changes

Temporary lane closures on the M4 Motorway, Parramatta Road and Leicester Avenue will be in place during this night work. Please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
