

**3 January 2018**

### **Traffic signage installation – Concord Road, North Strathfield**

Further to notification (N257), from **Monday, 8 January 2018**, installation of Intelligent Transport System (ITS) infrastructure and closed-circuit television (CCTV) will continue along Concord Road, North Strathfield. A map showing the location of the work is provided overleaf.

### **Timing and work hours**

This work will take approximately **three months to complete**, weather permitting.

Work will take place **between 7.00 am and 6.00 pm Monday to Friday and 8.00 am and 1.00 pm on Saturday**, where possible. Work requiring a road or lane closure will occur between **9.00 pm and 5.00 am Sunday to Friday**. Please note, if this work cannot be completed during this period, it will be rescheduled and the community will be notified.

### **Work activities**

This work will include:

- trenching and conduit installation
- excavation and drilling using a piling rig
- concrete works
- installing steel reinforcement and sign structures
- installation of CCTV camera
- cable pulling
- temporary remediation work, prior to permanent restoration.

Equipment used will include a piling rig, excavators, mobile crane, vacuum truck, flat bed truck concrete trucks, Elevated Work Platform (EWP), tipper trucks, lighting equipment and construction vehicles.

### **Minimising impact**

There will be some noise associated with this work and every effort will be made to minimise this, including by using low-tonal reversing beepers on machinery during night works, turning off equipment and vehicles when not in use, directing noisy equipment away from residences where possible and undertaking regular noise monitoring to ensure levels are being managed effectively.

### **Traffic changes**

Traffic control, signage and pedestrian management will be in place during the work to ensure the safety of motorists, residents and workers. If you travel along the work route, please allow extra travel time and follow the signage and the direction of traffic controllers.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).

Notification reference: N257a

### **ABOUT WESTCONNEX**

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
