

Construction and utility work - Parramatta Road construction site

From Monday, 9 April 2018, work will continue around the Parramatta Road construction site following the westbound traffic switch. A map showing the location of the work is provided overleaf.

This work will take up to three months to complete, with updates provided to the community monthly.

What we're doing

Work for the first four weeks will involve:

- road work including adjusting traffic barriers, asphalt, signage, crash cushions and line marking
- pavement and concrete work including installing and modifying footpaths and medians
- adjusting, replacing and modifying traffic signals at Bland Street, Ashfield
- modifying the new pedestrian footbridge stairs at Bland Street, Ashfield
- investigating, installing and modifying utility and other services.

Equipment used during the work will include excavators, vacuum trucks, concrete saws, cranes, trucks, compactors, road line markers, graders, asphalt laying plant, electronic lifting platforms, small tools, hand tools and lighting equipment.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. Parking may be restricted in the vicinity of the
