

Construction update - Parramatta Road, North Strathfield

From Thursday 31 January 2019, work will continue along Parramatta Road, North Strathfield. This work will include road work and the installation and commissioning of signage and the Intelligent Transport System (ITS), which will form part of the new Concord Road Interchange. Residents will continue to be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

The work will involve:

- Installing and commissioning ITS infrastructure and signage
- investigating and installing utility services (including cable pulling)
- clearing and removing vegetation
- road work including concreting, barrier relocation, line marking and asphaltting
- earthworks, piling and pavement construction (road crossings)
- drainage installation
- footpath, driveway, kerb and gutter construction
- retaining wall construction
- landscaping
- sign installs
- median installation
- asphaltting

Equipment used will include: excavators, vacuum trucks, concrete saws, core drills, chainsaws, pick and carry cranes, concrete trucks and pumps, compactors, elevated work platform trucks, small tools, hand tools, asphaltting and lighting equipment.

How this affects you

There will be footpath closures near this work. Pedestrian detours are in place along Concord Road (southbound between Patterson Street and the M4 Motorway) and (northbound between Patterson Street and Parramatta Road). Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

Pedestrian access to properties will be maintained at all times. Vehicle access to properties may be restricted pending prior approval from residents.

If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers.
