

Construction update - Parramatta Road and M4 Motorway, Homebush

From Saturday, 30 March 2019, work will continue on Parramatta Road and the M4 Motorway to commission Intelligent Transport system (ITS) infrastructure, Closed-Circuit Television (CCTV) cameras, and to restore the road surface. Residents will continue to be notified as work progresses.

A map showing the location of the work is provided overleaf.

What we're doing

Remaining work will involve:

- commissioning and testing ITS infrastructure (including CCTV, signage, lanterns, and sensors);
- modifying tolling gantries and traffic signals;
- finalising service investigation and installation;
- road work including asphaltting, and installing median strips and guard rails;
- tree trimming.

Equipment used will include excavators, bobcats, jack hammers, concrete trucks, piling rig, vacuum trucks, concrete saws, milling machine, asphalt paver, core drills, chainsaws, cranes, elevated work platform, trucks, light vehicles, compactors, site vehicles, small tools, hand tools and lighting equipment.

How this affects you

There will be overnight closures of some roads to facilitate this work. M4 Motorway westbound closures between Parramatta Road and Homebush Bay Drive, and eastbound closures between Homebush Bay Drive and Sydney Street will be required during this work. Eastbound and westbound closures of Parramatta Road at North Strathfield will also be required.

Specific information regarding road closures will be communicated via electronic Variable Message Signs and livetraffic.com. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers.

If you travel along the work route, please allow extra travel time and follow the signage and direction of traffic controllers.
