

### Traffic changes - Parramatta Road, Concord

From 11pm Friday 23 March 2018, the left turn from Parramatta Road eastbound onto the M4 Motorway westbound will be removed. The kerbside lane on Parramatta Road eastbound between Concord Road and the M4 Motorway will also be closed, with two eastbound through lanes maintained.

This closure is required for services work and widening for the future three eastbound lanes on Parramatta Road. A map showing the location of work and traffic changes is provided overleaf.

Preparation work for the slip lane closure will start on Wednesday 21 March 2018.

#### How this affects you

Motorists will no longer be able to turn left from Parramatta Road eastbound to the M4 Motorway westbound.

Motorists travelling from Parramatta Road eastbound, Concord Road southbound or Leicester Avenue northbound should use the new westbound on-ramp at North Strathfield.

Drivers on Gipps Street travelling from Canada Bay and Five Dock are advised to use Broughton Street or Harris Road to access Parramatta Road, then enter the M4 Motorway from the westbound on-ramp at Concord.

Traffic will be heavy and there will be delays as drivers adjust to the changes. If you travel through this area please plan ahead, allow extra travel time and consider your best alternative route.

For the latest live traffic updates and more information on these closures, visit [livetraffic.com](http://livetraffic.com), download the Live Traffic NSW App for iPhone, iPad and Android or call the Traffic Information Line on 132 701.

#### What we're doing

In preparation for the permanent lane closure, work will be carried out to:

- relocate concrete traffic barriers;
- line marking;
- relocate traffic signs.

Equipment used during the preparation work will include a franna crane, trucks, vacuum trucks, concrete saws, excavators, lighting towers, generators, line marking trucks and hand tools. There will be some noise associated with this work and every effort will be
