

Temporary hoarding removal - Parramatta Road Civil Site

In preparation for project completion in a few months' time, from Wednesday, 20 February 2019, the remaining temporary hoarding will be removed. A map showing the location of work is provided overleaf.

Completing the removal of the temporary hoarding is a milestone for the construction team who have now completed all major construction activities in this location. Following the removal of the remaining hoarding, key remaining activities include installing remaining landscaping and fencing.

What we're doing

This work will involve:

- removing temporary hoarding;
- installing permanent fencing, where applicable.

Equipment used during the work will include power tools, trucks, excavators and cranes.

How this affects you

There will be some noise associated with this work and every effort will be made to minimise this by using non-tonal reversing beepers on all machinery at night, turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au
