

ITS Work - Waratah Street, Haberfield

From Monday, 11 March 2019 work will continue for the finalisation of the ITS infrastructure on Waratah Street, Haberfield. This work will include trimming some tree branches so that the Over Height Detectors (OHDs) can be successfully commissioned and installing the Advanced Warning Sign on the corner of Waratah Street and Alt Street. A map showing the location of the work is provided overleaf.

Please note that parking will be limited in the vicinity of the work site.

OHDs detect oversized vehicles, providing advanced warning that they should not enter the tunnel.

What we're doing

Work will involve:

- Trimming trees to ensure OHDs can operate successfully;
- Installing the Advanced Warning Sign structure;
- Installing remaining support systems for infrastructure;
- Commissioning and testing infrastructure;
- Restoring the area, where required.

Equipment used during the work will include but is not limited to an electronic lifting platform, vacuum truck, road saw, bucket truck, chainsaws, cranes, trucks, concrete trucks, power tools and hand tools.

How this affects you

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences. Respite will also be applied to high impact equipment.

Traffic control and pedestrian management will be in place to ensure the safety of and access for motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.
