

Road works - Sydney Street west, North Strathfield

To facilitate construction the new Concord Interchange, a new work zone will be established by closing the Sydney Street west kerbside left-turn lane near its intersection with Concord Road. A map of the work area is provided overleaf. Out-of-hours shifts will be required to establish and demobilise this new work zone.

The lane closure is expected to be in place for four weeks, weather permitting.

What we're doing

The work will involve:

- installing temporary barriers and signage
- removing existing road furniture, pavement, including concrete saw cutting
- excavation
- utilities investigation and installation
- installing new pavement and line marking including concrete saw cutting
- construction of new kerb, drain and guttering
- landscaping

Equipment used will include franna cranes, trucks, plate compactors, rollers, pavers, vacuum trucks, hammers, concrete saws, excavators, lighting towers, generators, trucks, concrete agitators, concrete pumps, line marking trucks and hand tools.

How this affects you

There will be some noise associated with this work. Every effort will be made to minimise this impact including by turning off equipment and vehicles when not in use and directing noisy equipment away from residences where possible.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
