

Driveway Work - 98 Chandos Street, Ashfield

Due to recent adverse weather conditions, from Monday, 12 November 2018 work will commence to finalise the newly constructed driveway at 98 Chandos Street, Ashfield. A map showing the location of the work is provided overleaf.

Traffic control will be in place to ensure that access to the property is maintained.

Work is expected to take up to 2 weeks to complete, weather dependent.

This work will involve:

- completion of fencing;
- carrying out minor driveway repair work;
- completion of utility work, including utility pit repairs and covering conduits.

Equipment used during the work will include a road saw, an excavator, small trucks and hand tools.

How this affects you

Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
