

Infrastructure Installation - Parramatta Road, Haberfield

From Tuesday, 29 January 2019 some work will continue to finalise the Intelligent Transport Services (ITS) and infrastructure at the intersection of O'Connor Street and Parramatta Road, Haberfield.

A map showing the location of work is provided overleaf.

This work will involve:

- standing of a new electrical power pole and installing new overhead connections.

Equipment used during the work will include trucks, excavators, cranes, an electronic work platform, powered hand tools, lighting equipment and hand tools.

How this affects you

During this work there will be lane closures along Parramatta Road. Traffic control and pedestrian management will be in place to ensure the safety of motorists, residents and workers. If you travel along the route, please allow extra travel time and follow the direction of traffic controllers and signage.

There will be some noise associated with this work. Every effort will be made to minimise this by turning off equipment and vehicles when not in use and where possible, directing noisy equipment away from residences.

If you would like to receive email updates about the scheduling of out of hours work near your property - or if you have an enquiry or complaint about this work - please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email info@M4East.com.au.
