

## Underwood Road Ventilation Facility Testing, Homebush

From Monday 22 October 2018, the Underwood Road Ventilation Facility will undergo a series of commissioning tests.

The testing is due occur over a two week period.

The tunnel will not be open to public traffic or operational while these tests are undertaken. The tests are designed to ensure equipment in the ventilation system is operating as expected.

A map showing the testing location is provided overleaf.

### What we're doing

This work will involve:

- Testing of the ventilation system

No equipment external to the ventilation facility is required for this testing.

### How this affects you

There may be some noise associated with this testing, however every effort will be made to minimise this where possible.

If you have an enquiry or complaint about this work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 East team or email [info@M4East.com.au](mailto:info@M4East.com.au).
