

1 July 2016

## Temporary ramp closure – James Ruse Drive westbound on-ramp

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the M4 is being widened between Parramatta and Homebush from three to four lanes in each direction, alleviating congestion. Visit [westconnex.com.au/M4Widening](http://westconnex.com.au/M4Widening) for more information.

From **Tuesday, 5 July 2016 to Tuesday, 30 August 2016**, night work will be carried out to allow for the construction of the elevated motorway in the vicinity of the James Ruse Drive westbound on-ramp. A map of the work area is provided overleaf.

This work is expected to **take eight weeks** to complete, weather permitting. To ensure the safety of workers and motorists, the work will take place between **11.00 pm and 5.00 am**.

This work will involve:

- installing and removing formwork
- drainage, clearing and earthworks
- saw cutting of pavement and asphalt
- assembling structures and pouring concrete
- installing girders

During the work, the westbound on-ramp will be closed and a detour will be in place via Parramatta Road. Please allow extra travel time and follow the direction of traffic controllers and signage.

Equipment used during the work will include hand and power tools, line marking machines, cranes, elevated work platforms, generators, trucks, excavators, paving machines, rollers, bobcats, profilers, water carts, graders, road saws and lighting towers.

As some of this work may be noisy, residents will be updated on the progress of the work as it approaches their property. Every effort will be made to minimise the impact of work, including using non-tonal reversing beepers on machinery, installing acoustic curtains, turning off equipment and vehicles when not in use and, where possible, directing noisy equipment away from residences.

If you would like further information about the upcoming work, please contact toll free 1800 660 248 and ask to speak to a member of the M4 Widening team.

Notification Reference: N068

### ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
