

14 October 2016

Night work – Euston Road, Alexandria

Work is underway on WestConnex which involves widening and extending the M4 and M5 and joining them to create a free-flowing motorway network.

As part of the project, the New M5 will duplicate the existing M5 East corridor, doubling vehicle capacity and easing congestion between St Peters and Beverly Hills. It will include twin tunnels, an upgrade of King Georges Road Interchange and a new interchange at St Peters. For more information, visit westconnex.com.au/NewM5.

Night work will occur along **Euston Road, Alexandria** to remove traffic control and safety concrete barriers established as part of the Munn Street Drain investigation work. This work is being undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the works is provided overleaf.

Timing and work hours

The night work is scheduled to start from **Tuesday 18 October 2016** and is expected to take two nights to complete, weather permitting. The work will be undertaken between **7.00 pm and 5.00 am from Monday to Saturday**. Every effort will be made to minimise the impact of work on nearby residents and businesses.

Every effort will be made to minimise the impact of work on nearby residents and businesses.

Work activities

Night works will involve:

- removing concrete safety barriers and line marking
- installing new line marking
- implementing traffic and pedestrian management.

Equipment used during this work will include trucks, lighting towers, crane trucks, light vehicles and hand tools.

Traffic changes

Changed traffic conditions, including temporary lane closures, stop-go arrangements and a reduced speed limit, will be in place during these works. Traffic control and signage will be in place to assist road users through these changes.

If you have a question or complaint about this work, please call toll-free 1800 660 248 (24-hours) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.

ABOUT WESTCONNEX

WestConnex is part of a broader transport plan for Sydney which includes improved public transport, such as Sydney Metro and light rail, as well as better, more reliable motorway solutions. More than two-thirds of WestConnex will be built underground. Once complete, motorists will be able to avoid up to 52 sets of traffic lights and enjoy significant travel time savings.
