

13 September 2017

Update - Night work on Gardeners Road, Mascot

Night work will continue on Gardeners Road, Mascot to further investigate the location of existing utilities in preparation for their relocation and as part of the road upgrade. This work is required to be undertaken at night under traffic management for the safety of workers, motorists, pedestrians and cyclists.

Work will be carried out intermittently for 10 nights over a month long period, weather permitting, starting from **Monday 18 September**. Work will be conducted between the hours of **9pm and 5am** Monday to Friday.

Work will take place over multiple locations along Gardeners Road and will change each night to reduce impact on nearby residents and businesses. A map showing the location of the work is provided overleaf.

The work will involve opening a small trench in the ground, removing ground material, identifying the service and then reinstating the earth.

Equipment used during the work will include cranes, trucks, lighting towers, hand tools, vacuum trucks, road saws, chainsaws, traffic management and construction vehicles.

Minimising impact on residents

The work is expected to create minimal noise levels to nearby residents. Every effort will be made to minimise noise and light spill associated with this work by:

- Scheduling noisy work to take place early in the night where possible
- Changing location of work each shift when possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment and lights away from residential properties where possible

Traffic changes

Minor traffic impacts will be in place during this work. Traffic control, signage, detours and reduced speed limits will be in place to assist local residents and road users to navigate through the changes.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email info@newm5.com.au.

You can also visit the New M5 Community Information Centre located at 27 Burrows Road, St Peters. The centre is open on weekdays from 9am to 5pm.
