

14 September 2017

Night work – Bedwin Road, St Peters

Night work will be carried out on the eastern side of Bedwin Road, to restore footpath access along-side Camdenville Park. This work is scheduled for **Thursday 21 September** between **7pm and 5am** and is expected to take one shift to complete, weather permitting.

This work involves relocating concrete barriers along the eastern side of Bedwin Road. We will use cranes, trucks, lighting towers, hand tools, forklift and construction vehicles to complete the work.

We are doing this work at night to minimise traffic impacts. A traffic management plan will be implemented for the safety of motorists, pedestrians, cyclists and workers. Every effort will be made to minimise noise and light spill by:

- Scheduling noisy work to take place early in the night where possible
- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Using eco barrier around our worksite
- Directing noise generating equipment and lights away from residential properties where possible.

Traffic changes

Changed traffic conditions and reduced speed limits will be in place on Bedwin Road during this work. Traffic access will be maintained in both directions. Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email info@newm5.com.au.

You can also visit the New M5 Community Information Centre located at 27 Burrows Road, St Peters. The centre is open on weekdays from 9am to 5pm.
