

Saturday work and temporary footpath closure – Campbell Road, Alexandria

Work will be undertaken on Campbell Road Alexandria during standard construction hours to facilitate a cable pull operation for utility relocation work. This work is being undertaken under traffic management for the safety of workers, motorists, pedestrians and cyclists. A map showing the location of the work is provided overleaf.

Scope of work

The work will involve installing concrete barriers along the northern side of the Campbell Road between Barwon Park Road and Harber Street. The work will commence on **Saturday 7 October** between **8am and 1pm** and is expected to take one shift to complete, weather permitting. Work for the removal of these concrete barriers will take place on **Saturday 14 October** between **8am and 1pm** and is also expected to take one shift to complete.

Equipment used during the work will include cranes, trucks, hand tools, forklift and construction vehicles.

Every effort will be made to minimise noise associated with this work by:

- Turning off equipment and vehicles when not in use`
- Using non-tonal reversing beepers on all machinery
- Using eco barrier around our worksite
- Directing noise generating equipment away from residential properties where possible.

Impact of the works

Changed parking conditions will be in place during this work with the parking lane on Campbell Road between Barwon Park Road and Harber Street closed on **Saturday 7 October until Saturday 14 October**.

A section of the footpath outside the terraces on Campbell Road between Barwon Park Road and Harber Street will be part of the work area while this utility relocation work is being carried out. Traffic control and plastic covers will be implemented to facilitate pedestrian thoroughfare.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. If you are travelling through the area, please allow extra time for your journey and follow the signs and directions from traffic controllers. Access to properties will be maintained.
