

Temporary traffic changes – Campbell Street and Princes Highway, St Peters

Temporary road closures and traffic detours will be in place on **Campbell Street** between **Barwon Park Road and Princes Highway**, St Peters from Monday 30 October to early December to facilitate road widening and piling work.

Signage and concrete barriers will also be installed on the western lane of **Princes Highway** northbound to facilitate Telstra and Ausgrid utility work in this area. These traffic changes will be carried out at night for the safety of road users and to minimise traffic disruption in the area.

Traffic changes

- **Monday 30 October to early December** – Campbell Street closed in both directions between Crown Street and Barwon Park Road. No access into Campbell Street eastbound from Princes Highway or from Campbell Street west of the Princes Highway. Detour to Campbell Street eastbound via Sydney Park Road and Euston Road or Canal Road and Burrows Road. Local access will be maintained on Campbell Street westbound between Crown Street and the Princes Highway. The Crown Street traffic direction will be temporarily reversed from northbound one-way to southbound one-way only.
- **From early December** - Campbell Street between Crown Street and Barwon Park Road will reopen. Two-way traffic will run on a newly built section of roadway in this area. Crown Street will return to one-way northbound and access to Campbell Street eastbound from the Princes Highway will be reopened.

Traffic control and signage will be in place to assist road users, pedestrians and cyclists through the changes. Pedestrian access to properties and along Campbell Street will be maintained at all times. Vehicle access to properties may be restricted at times, any changes to vehicle access will be discussed with affected residents and businesses.

Maps are provided overleaf for further information on these traffic changes.

Night work

- **Princes Highway - Friday 27 October** between **7pm and 5am** - installing signage on Princes Highway between Victoria Street and Short Street.
- **Princes Highway - Monday 30 October** between **7pm and 5am** - installing and relocating concrete barriers and carrying out line marking on Princes Highway between Victoria Street and Short Street.
- **Campbell Street – Monday 30 October** between **7pm and 5am** – installing concrete barriers to facilitate road closure and traffic detour on Campbell Street between Crown Street and Barwon Park Road.

Every effort will be made to minimise noise associated with night work by:

- Turning off equipment and vehicles when not in use
- Using non-tonal reversing beepers on all machinery
- Directing noise generating equipment away from residential properties where possible
- Carrying out preparation work during the day to limit noise impacts at night.

Equipment used during this night work will include cranes, lighting towers, excavators, construction vehicles, trucks, watercart, bobcat, power tools, hand tools, lighting tower, generator and traffic management.

More information

If you have any questions about this work, please call 1800 660 248 and ask to speak to a member of the New M5 Community Engagement Team or email info@newm5.com.au.
