

Pavement repairs on Burrows Road, St Peters

Night work with a full road closure is required to take place on **Wednesday 21 March and Thursday 22 March 2018 (weather permitting)** on Burrows Road St Peters in order to undertake road pavement repairs. This work needs to occur at night to limit the impact on day time traffic and for the safety of workers, motorists, pedestrians and cyclists.

What we're doing

The work will involve milling and re-sheeting of the road pavement 40m from stop/go line of the Burrows and Canal Road intersection.

Maintenance work at the Burrows Diversion Road (south of Campbell Road) will also take place during this closure. This work will involve excavating a small part of the new road to fill with concrete and asphalt. There will be some line marking on the second night.

Equipment used during the work will include paver machine, floor saw, bobcat, trucks, roller, lighting towers, line marker, excavator, construction vehicles and traffic management.

How this affects you

Changed traffic conditions will be in place from 9pm to 5am Wednesday 21 March and 9pm to 5am on Thursday 22 March as follows:

- Full road closure of Burrows Road from Canal Road to Huntley Street, local access only (see below)
- No through traffic between Burrows Road (south of Campbell Road) and Burrows Road (north of Campbell Road)
- Local access to Burrows Road (south) via Canal Road eastbound slip lane only
- Local access to Burrows Road (north) via Huntley Street only
- Traffic control will be in place to help with any deliveries and workers arriving for work in Burrows Road.

Signage, detours and reduced speed limits will be in place to assist local businesses and business workers to navigate through the closure.

No access into Campbell Road from Burrows Road will be in place until further notice.
