

Drainage Installation near Campbell Street (east), St Peters

Night work is required to facilitate the installation of drainage pipes at the tunnel portals on Campbell Street (east), St Peters.

What we're doing

This work will involve the use of a crane to lift the drainage pipes into the tunnel portals ready for installation. This work will take place over a two week period from Monday 25 June to Friday 6 July 2018 (weather permitting) between 6pm to 6am.

A crane, small hand tools, an elevated work platform (EWP) and lighting towers will be used to complete these works. All work will be completed on site, please see map overleaf.

How this affects you

There will be minimal impacts to residents during this work. Every effort will be made to face the lighting towers away from any residential properties.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
