

## Day work/night work and road closures on Campbell Street (east) between Princes Highway and Barwon Park Road, St Peters

A full road closure is required on Campbell Street (east) between Princes Highway and Barwon Park Road to facilitate utility service installation and commissioning of the newly installed water main.

**The Campbell Street (east) road closure will be in place from 7am Monday 23 July to 7am Wednesday 25 July inclusive, however, only one night work shift is required from 7pm Tuesday 24 July to 7am Wednesday morning 25 July.**

Please see the map overleaf to better explain the location of this work and associated traffic changes.

Outside of this notified work from 7am Monday 23 July to 7am Wednesday 25 July inclusive, Crown Street will remain open to one-way traffic southbound only.

### What we're doing

- Monday 23 July, 7am to 6pm  
Day work will be carried out to install new power and communications conduits and prepare water connections for transfer of the current water service to the newly installed water main.

The road closure and associated traffic control will remain in place over night around the open trenches in the road surface.

- 7am Tuesday 24 July to 7am Wednesday 25 July  
Day and night work will be carried out to transfer the current water connection to the newly installed water main.

Some properties along Campbell Street (east), Campbell Road, Crown Street and Princes Highway will be impacted by a Sydney Water night time service outage in connection with this work on Tuesday 24 July between 10pm - 3pm. Sydney Water will notify impacted customers.

### When

Monday 23 July, 7am - 6pm  
(Road closure will remain in place overnight but no work will take place)

7am Tuesday 24 July to 7am Wednesday 25 July

## Traffic changes

- Full road closure on Campbell Street (east) between Princes Highway and Barwon Park Road. No vehicle through traffic.
- Two-way traffic will be permitted on Crown Street under traffic control.
- Local access only permitted to Campbell Road from Euston Road (7am to 7pm) and Burrows Road (7pm to 7am)

Traffic control will be in place on Campbell Street (east) and surrounding streets for the duration of the road closure to manage vehicle traffic and pedestrian access. Temporary parking restrictions may be in place on surrounding streets to assist with flow of traffic.

## How this affects you

Equipment used during the work will include excavators, vacuum trucks, road saw, construction trucks, hand tools, light vehicles, compaction equipment and traffic control.

This work is expected to generate noise however every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.
