

Nightwork at M5 East ramps, Arncliffe

Night work is needed during the M5 East shutdown period near the entry ramp off Marsh Street, Arncliffe heading eastbound.

What we're doing

We will drill boreholes over three nights during the M5 East shutdown period from the Sunday 22 July to Wednesday 25 July 2018 (weather permitting).

A borehole is a narrow shaft bored in the ground, either vertically or horizontally. The borehole is being drilled as part of investigations to ensure there is no conflict with subsurface utilities or features that will interfere with the project.

This work needs to be undertaken outside of standard construction hours for the safety of workers and motorists. A map showing the locations of the boreholes is provided overleaf.

We will use a drill rig machine, hand tools and lighting to complete the works.

How this affects you

There may be some impact to residents to which we will make every effort to minimise. In addition every effort will be made to ensure that noisier work occurs earlier on in the night and lighting will be placed away from residential areas.

When

Sunday 22 July to Wednesday 25 July 2018

Hours of operation

Work will be undertaken between 10pm to 4am

Where

M5 East near the entry ramp off Marsh Street Arncliffe

New M5 Public Art Strategy

You are invited to provide feedback on the draft New M5 Public Art Strategy. You can view the strategy at westconnex.com.au/NewM5PublicArt. Please provide your feedback by 10 August 2018.

We are holding two information sessions so that you can ask our project team questions about the strategy:

- **Monday, 30 July 2018, 4:30pm to 6:30pm**
New M5 Project Site Office, 30 Garema Circuit, Kingsgrove
- **Wednesday, 1 August 2018, 4:30pm to 6:30pm**
New M5 Community Information Centre, 27 Burrows Road, St Peters

To provide feedback and for more information visit westconnex.com.au/NewM5PublicArt or call 1800 660 248 or email info@westconnex.com.au.
