

## Day/night work, road closures and traffic changes on Campbell Street (west) and Church Street St Peters

Cable haul work is continuing on Campbell Street (west) and Church Street. This work will involve major traffic changes, including road closures on Campbell Street (west) and Church Street. Please see map overleaf to better explain the traffic changes and local detours.

### What we're doing

Day and night work will continue to haul power cables through recently installed conduits located underground on Campbell Street and Church Street.

- **7pm Monday 6 August to 6pm Tuesday 7 August**

(As per Notification No.471, night work will also be undertaken in two locations on Princes Highway near the intersection of Campbell Street on Monday 6 August from 7pm to 5am)

### Traffic changes

- Road closure on Campbell Street (west) between Princes Highway and St Peters Street - no vehicle access between Campbell Street (west) and Campbell Street (east)/Princes Highway
- One-way traffic westbound on Campbell Street (west) between Florence Street and the intersection of May Street, Bedwin Road and Unwins Bridge Road - no vehicle access into Campbell Street (west) from May Street, Bedwin Road and Unwins Bridge Road
- Road closure on Church Street at the intersection of Campbell Street (west) - no vehicle access between Church Street and Campbell Street (west) for the duration of the road closure (vehicle access to Church Street via Victoria Street only)
- Pedestrian access on all local roads will be maintained under traffic control.

Parking restrictions will be in place on Church Street adjacent to the work area from 7am Monday 6 August. Traffic control will be in place for the duration of the closure to assist motorists, cyclists and pedestrians through the temporary traffic changes.
