

Day work and road closure on Brown Street St Peters

A full road closure is required on Brown Street at the Campbell Street intersection to carry out utility service installation. The road will re-open each night at 6pm.

What we're doing

Day work will be carried out to dig a trench in the footpaths and across the full width of Brown Street to install new power and communications services underground. There are no planned service outages associated with this work.

- **Tuesday 7 August to Friday 10 August, 7am to 6pm**
- **Contingency: Saturday 11 August, 8am to 6pm**

Traffic changes

- Road closure on Brown Street at the intersection of Campbell Street; no vehicle access between Brown Street and Campbell Street
- Vehicle access to Brown Street via Conway Place
- Pedestrian access between Brown Street and Campbell Street will be maintained under the direction of traffic control
- Temporary parking restrictions will be in place on Brown Street adjacent to the work area from 7am Monday 6 August and remain in place day and night for the duration of the work

Traffic control will be in place during working hours to manage vehicle traffic and pedestrian access.

How this affects you

Equipment used during the work will include excavators, vacuum trucks, road saw, construction trucks, hand tools, light vehicles, compaction equipment and traffic control.

This work is expected to generate noise however every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.
