

Update to Notification No 460: Day/night work and road closure on Campbell Street (east) and night work on Princes Highway St Peters

Work to commission the new water main on Campbell Street at the intersection of Crown Street will continue from **4pm Wednesday 8 August to 5am Thursday 9 August**. This work will involve a road closure on Campbell Street (east) between Princes Highway and Barwon Park Road.

On Wednesday 8 August, night work is also scheduled to take place in two locations along Princes Highway to install utility services.

Campbell Street (east) day and night work

- **4pm Wednesday 8 August to 5am Thursday 9 August**

Day and night work will be carried out to transfer the current water connection to the newly installed water main.

Some properties along Campbell Street (east), Campbell Road, Barwon Park Road, Crown Street and Princes Highway will be impacted by a Sydney Water night time service outage in connection with this work on Wednesday 8 August between 10pm and 3am. Sydney Water will notify impacted customers.

Traffic changes - Campbell Street (east) work

- Road closure on Campbell Street (east) between Princes Highway and Barwon Park Road. No vehicle through traffic
- Two-way traffic will be permitted on Crown Street under traffic control
- No access into Campbell Road from Burrows Road between 4pm and 7pm on Wednesday 8 August. Local access only permitted into Campbell Road from Euston Road (4pm to 7pm) and from Burrows Road (7pm to 5am)

Traffic control will be in place on Campbell Street (east) and surrounding streets for the duration of the road closure to manage vehicle traffic and pedestrian access. Temporary parking restrictions may be in place on surrounding streets to assist with flow of traffic.

Notification No.475

Constructed by

Princes Highway night work

- **Wednesday 8 August 7pm to 5am**

Night work will continue in two locations on Princes Highway to upgrade and install power and communications conduits underground (see map below to better explain the location of this work).

Traffic changes - Princes Highway work

- Two-way traffic will be maintained on Princes Highway. For safety reasons, pedestrians may be directed to cross the road to the opposite footpath
- Road closure on Albert Street; traffic control will allow pedestrian access

How work on Campbell Street (east) and Princes Highway affects you

Equipment used during the work will include excavators, vacuum trucks, road saw, light towers, construction trucks, hand tools, light vehicles, compaction equipment and traffic control.

This work is expected to generate noise. Every effort will be made to minimise noise and light spill associated with this work by turning off equipment and vehicles when not in use and directing noise and light generating equipment away from residential properties where possible.
