2) Bedwin Road work

Day and night work will continue to install new power, communications and water services on Bedwin Road near the intersection of Unwins Bridge Road, May Street and Campbell Street. This work will be conducted at night and over the weekend when traffic volumes are lower for the safety of workers, motorists, cyclists and pedestrians.

- **7pm Friday 17 August to 6pm Saturday 18 August**

Traffic changes - Bedwin Road work

The intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road will be controlled by traffic control under a stop / slow traffic set up. Traffic will be maintained in all directions. Please expect delays and follow the directions of traffic control signage and personnel.

1 + 2) How work on Campbell Street (west), Church Street and Bedwin Road affects you

Traffic control will be in place for the duration of the works to assist motorists, cyclists and pedestrians through the temporary traffic changes. The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.

Equipment used during this work will include excavators, road saw, construction trucks, vacuum trucks, compaction, hand tools, light vehicles, lighting towers and traffic control. This work is expected to generate noise however every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.
