

Day work and major traffic changes on Campbell Street (west) and Church Street, St Peters

Utility installation work will continue on Campbell Street (west) and Church Street on Thursday 23 August from 7am to 6pm. **This work will involve major traffic changes, including a westbound lane closure on Campbell Street (west) between Princes Highway and St Peters Street.** Please see map overleaf to better explain the work locations, traffic changes and local detours.

Please note: As per Notification No. 479 and Notification No. 484 road closures and traffic changes will also be in place on Church Street, Florence Street and St Peters Street to finalise the road and footpath on the southern side of Campbell Street from Crown Street, across Princes Highway, to Brown Street.

What we're doing

Day work will be undertaken to install power and gas services in various locations on Campbell Street (west) and Church Street on Thursday 23 August from 7am to 6pm.

Traffic changes

- Westbound lane closure on Campbell Street (west) between Princes Highway and St Peters Street
- No access into Campbell Street (west) from Campbell Street (east) or from Princes Highway
- Left and right turn will be maintained from Brown Street and St Peters Street onto Campbell Street (west)
- Pedestrian access on Campbell Street (west) will be maintained under traffic control, for safety reasons pedestrians may be directed to cross the road to the opposite footpath. Pedestrian access between Church Street and Campbell Street, and between Florence Street and Campbell Street will be via St Peters Street

Traffic control will be in place for the duration of the closure to assist motorists, cyclists and pedestrians through the temporary traffic changes.
