

Day/night work and traffic changes to complete utility service installation on Bedwin Road St Peters

Work is underway to complete utility service installation in the left slip lane from Unwins Bridge Road to Bedwin Road. The work will span the width of Bedwin Road at the intersection of Unwins Bridge Road, May Street and Campbell Street.

What we're doing

The installation of new water, power and communications services on Bedwin Road has taken longer than originally scheduled due to the discovery of undocumented services under the road surface and unfavourable hard ground conditions.

It is anticipated that we will require approximately nine additional nights of night work and some Saturdays to complete utility service installation in this location.

Utility service installation is currently scheduled to take place on Bedwin Road on the following days and nights

- **Monday 27 August from 7pm to 5am**
- **Friday 31 August from 7pm to 6pm on Saturday 1 September (inclusive)**
- **Tuesday 4 September from 7pm to 5am**
- **Friday 7 September from 7pm to 6pm on Saturday 8 September (inclusive)**

The remaining dates of utility work at this intersection will be notified once dates have been confirmed.

Due to the necessary safety and traffic approvals for us to carry out the required lane closure, this work must take place at night or over the weekend outside of peak volume traffic times.

Traffic changes

The intersection of Bedwin Road, Campbell Street, May Street and Unwins Bridge Road will be controlled by traffic control under a stop / slow traffic set up. Traffic will be maintained in all directions however please expect delays and follow the directions of traffic control signage and personnel. If possible, please avoid the area on Saturday 1 September and Saturday 8 September.

When

Monday 27 August from 7pm to 5am;

Friday 31 August from 7pm to 6pm on Saturday 1 September (inclusive);

Tuesday 4 September from 7pm to 5am;

Friday 7 September from 7pm to 6pm on Saturday 8 September (inclusive).

Notification No.488

Constructed by

Additional traffic changes on Monday 27 August from 7pm to 5am and Tuesday 4 September from 7pm to 5am: The left slip lane from Unwins Bridge Road to Bedwin Road will be closed. A left turn from Unwins Bridge Road into Bedwin Road will be permitted at the intersection under traffic control.

How this affects you

Equipment used during this work will include excavators, road saw, construction trucks, vacuum trucks, compaction equipment, hand tools, light vehicles, lighting towers and traffic control.

This work is expected to generate noise. Every effort will be made to minimise noise associated with this work by turning off equipment and vehicles when not in use and directing noise generating equipment away from residential properties where possible.

The site compounds on May Street and along the southern side of Campbell Street will be used intermittently throughout the work for storage of materials and vehicle parking.
