

Concrete Pour for Motorway Operations Complex buildings at Arncliffe

Night work is required for a series of concrete pours to be undertaken at the Motorway Operations Complex buildings at Arncliffe. Work is scheduled over the coming weeks to the end of October (weather permitting).

What we're doing

Pouring of concrete at the Motorway Operations Complex buildings at Arncliffe. A map showing the location of the work area is provided overleaf.

This work will take place over the next few weeks to the end of October between the hours of 4am to 6pm. This construction work is required to be undertaken outside of standard construction hours for the safety of workers, pedestrians and motorists.

Equipment used will include a concrete pump, concrete vibrator, trucks, light vehicles and lighting towers.

How this affects you

There may be some impacts to residents during this work, including noisy machinery and lighting. We will make every effort to minimise these impacts, by turning off equipment and vehicles when not in use, using non-tonal beepers and facing lighting away from residential properties.

We apologise for any inconvenience this may cause.

If you have a question about this work, please call 1800 660 248 (toll free) and ask to speak to a member of the New M5 community engagement team or email info@newm5.com.au.
